Your all-inclusive en suite accommodations feature gourmet meals prepared by a private chef with drinks included, allowing you to relax in comfort while surrounded by the beauty of the wilderness. This pristine conservancy is home to more than 60 species of wildlife, including leopards, elephants, giraffes, and the rare tsessebe antelope, along with remarkable birdlife such as majestic eagles and soaring raptors.

The adventure continues with two nights near the awe-inspiring Victoria Falls, one of the “Seven Natural Wonders of the World.” You’ll stay in charming traditional African-style accommodations with attentive professional staff providing warm hospitality throughout your stay. Experience the wonder of the region with a private guided tour of the majestic falls, where the thundering water and mist-filled air create a spectacular scene.
